## BEERS

### MENABREA\*

#### **Piedmont, Italy**

This 4.8% ABV pale lager is well balanced between citrus, bitter tones and floral, fruity undertones giving a consistent and refined flavour. It has a complicated malty, hoppy taste with an exceptional head retention due to the quality of our ingredients and maturation process.

**Price \$ 7**

### ICHNUSA\*

#### **Sardinia, Italy**

Ichnusa is the beer that accompanies every moment of everyday life. It is a true triumph of harmony: a balanced flavour, color and a discreet aroma, a pleasantly bitter note which gives it the right character accompanied with persistent froth. Moderately crisp and refreshing, tight and fine grain, with a light pleasant scent of hops.

**Price \$ 7**

### MORETTI\*

#### **Friuli, Italy**

It is a bottom fermented beer with a golden colour. This colouring is a result of the type of malt used in brewing. Its alcohol content is 4.6% alcohol by volume. It is not a strong beer and is therefore perfect for drinking at lunch, at dinner or for evenings out with friends.

**Price \$ 7**

### SAPPORO\*

#### **Japan**

With lush use of aroma hops, Sapporo Premium has an amazingly crisp taste, refreshing flavor, and refined bitterness to leave a clean finish. Contains Barley

**Price \$ 8**

### ERDINGER WEISS

#### **Germany**

The wheat beer par excellence. A wheat beer for those who love outstanding and unforgettable wheat beer flavor.
